Centro Veterinario Scairolo — our services

Our services

Surgery
Dr Pozzi performs operations himself.

Diagnostics
Tests here at the clinic, and we explain what they show.

Hospitalisation
When an animal needs to stay, it stays here.

Consultations
For dogs and cats, by appointment.

Neutering
In the operating theatre, here at the clinic.

Dental care
Scaling: removing tartar from the teeth.

Microchipping
Done during a consultation.
